Sending outside Europe?	check our latest prices online

Can't spot your destination or have more than 30 kilos to send? We ship any weight worldwide so call us or drop in and ask us for a price for your own requirements. Some goods cannot be sent by post or courier and some require special licenses. Check with us first.

We offer compensation cover on more items to more destinations than any individual carrier. Ask us for details.

*Service options, size & weight limits and prices can vary from country to country and time to time. Please ask for our latest prices.

These prices are only for students with a
